Be a part of our post Covid rebuild by supporting the oldest rugby club in the Illawarra

Wollongong Vikings are a family and community orientated club that has a rich history in the Illawarra region. We are a founding member of Illawarra District Rugby Union and are the most successful club to date. Established in 1957, our club is built on a "One Club" philosophy across Junior, Senior and Longhorns programs.

All our success on the field and in the community is only made possible by the generosity of our sponsors and a large volunteer base.

The support of our sponsors is an essential element in the continued growth and success of the Vikings Club both on and off the field. The club brings exciting opportunities to work with sponsors beyond signage,

In 2023 Vikings Rugby club has 3 strategic priorities that require a financial commitment and represent opportunities for sponsors:

1. Invest in maintenance & repairs to the clubs facility; including but not limited to fencing, change rooms and structural repairs.
2. Continue to support the growth of the club with free registration and insurance (loss of income) for all Senior players
3. Establish a program and game were special needs people can be a part of the game we enjoy and love so much.

By making a contribution in cash or kind you will be assisting Vikings in delivering a family friendly rugby club that is successful for another 65 years.

Our sponsorship packages are designed to be flexible; recognising the different ways in which businesses want to contribute. We hope that you are as excited as we are for this season, and Vikings look forward to working with you.
